

Dear Parents,

In our efforts to provide the best possible care to our campers, Camp Bluebonnet continues to partner with CampDoc.com.

CampDoc.com offers online registration and an electronic health record system for camps. Their system will help us consolidate and integrate camper registration and health information into a centralized and secure location.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only Camp Bluebonnet's staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

Once you sign up for a CampDoc.com account, you will be able to register your camper. You will then receive additional information about how to complete your camper's profile. You will receive periodic notifications from Camp Bluebonnet and CampDoc.com, therefore please make sure to use an email address that you check often.

We can't wait to see you this summer,

Camp Bluebonnet Board of Directors
